

DAILY EVENING BULLETIN.

WEDNESDAY EVE., AUG. 30, 1882.

TERMS:—The EVENING BULLETIN is published daily, and served free of postage at 6 cents per week; 25 cents per month; 75 cents per three months; \$1.50 per six months, and \$3 per year, payable in advance.

THE EVENING BULLETIN HAS A LARGER CIRCULATION IN THIS CITY, CHESTER AND ABERDEEN, OHIO, THAN ANY OTHER PAPER PUBLISHED IN MAYSVILLE.

The latest news from Brownsville, Texas, announces eighty-two new cases of yellow fever and eight deaths. The disease is said to be also spreading at Pensacola.

GEN. WM. T. SHERMAN will ask to be placed on the retired list of the army in November, 1883. He would be retired, under the army compulsory act, in February, 1884. Sheridan is his successor.

In Tennessee it is thought that Governor Hawkins will be re-elected by state-credit Democrats and Republican votes, and that the state credit Democrats and Republicans will carry the legislature and all but two or three congressional districts.

THE Ironton (Ohio) Leader says:

We would suggest to our friends in the Congressional District just across the river, that, in the event of the necessity for a dark horse, no more suitable man could be presented than Hon. R. B. Lovel, of Maysville. Mr. Lovel is everywhere recognized as one of the leading business men and politicians of the district, of unbounded enthusiasm and with an honor proof to place or gold. His recent letter to the Vanceburg Courier, in reply to the charges made against him by the Republicans of that place, tears their arguments into tatters, and sets at naught their charges. Under his brilliant leadership the Democracy would sweep the district against all opposition.

No trouble in the convention is anticipated, but should there be, the Democrats in nominating Mr. Lovel, might go further and do worse. There is not in the district a clearer headed man or stauncher Democrat.

An Answer for "Unsanctified."

MAYSVILLE, KY., Aug. 29, 1882.

Editor of the Evening Bulletin: When I first saw the question of "Unsanctified" I supposed it to be a mere burlesque upon the doctrine and profession of that state as taught by John Wesley and the ministers of all the Methodist churches, and was about to answer from that standpoint, but was assured by one who seemed to know that he was sincere. I will give a brief answer. A sanctified man is one who is fully consecrated to God, and his service, and who has been cleansed from all sin, and who loves God with all his heart. As to how he looks, the believers in this doctrine do not teach that it changes his personal appearance any further than to give cheerfulness to his countenance and enstamp benevolence upon his features. If your correspondent "Unsanctified" will look closely into the bible he will find the word sanctified used there about two hundred times in reference to the internal religious state of matured believers in Christ—and if he will do as St. Paul advises Romans 12:1,2 and submit to what he prays for, for all believers to enjoy in 1 Thess. 5:23, he will know what kind of a man a sanctified one is, and if he will look in the glass he will see how he looks.

CAMP-MEETING CORRESPONDENT.

The Chicago Breeding Gazette says:

Progress it the word inscribed upon the banners of the Maysville (Ky.) Fair Association. Inspired by the success of their inaugural meeting last year, the management, consisting of Mr. John W. Watson, President; J. J. Wood, Lucien S. Luttrell, J. Dexter Kehoe, Samuel S. Riley, James H. Rogers, D. Hechinger, F. S. Owens, S. M. Poyntz, W. H. Yancey, J. H. Wilson, A. T. Cox, John N. Thomas and Thomas Wells, is again in the field with a five days' programme of exceeding strength and variety. The time set is September 19th to 23rd inclusive, and a trotting race is on the card for every afternoon. On the first day a purse of \$300 is hung up for the trotters of the 3:00 class. On the second day the candidates of the 2:20 class will try their strength for a purse of \$500. The bell on the third day will call out the 2:50 animals, while on Friday, the fourth day, the 2:26 class will face the starter for a purse of \$500. The 2:40 class will terminate the meeting on Saturday, and \$400 is the amount. The composition of the directory is broad gauge in its every sense, and their aim is to keep abreast of the times. The track at Maysville is one of the safest and fastest in the United States, and among other attractions secured we find the famous trotting stallion France's Alexander, winner of the great stallion race at Rochester, N. Y., last year, who is booked to trot against his own record 2:19, the prize being a valuable silver cup.

BEECH GROVE.

Pastures are splendid.

Cattle buyers are very numerous.

Miss Ella Gollings, of Maysville, was visiting friends here last week.

Prof J. S. Clark will begin his school at Corinth school house next Monday.

Messrs Smith & Case have done a thriving business threshing wheat this season. Up to the present time they have threshed about 15,000 bushels.

The crops of all kinds except tobacco in our locality are better than in ten years before. Tobacco cannot possibly make more than a good half crop. Wheat threshing is about complete here. Yield from fifteen to twenty bushels per acre. There is a superabundance of straw.

The outlook for an unusually large corn crop for this locality is exceedingly promising. Potatoes have panned out beyond any one's expectations. O K
